findCRA Honored as GLI's EnterpriseCorp Hot Dozen

Louisville, KY – findCRA is pleased to be chosen by Greater Louisville Inc.'s **EnterpriseCorp** as a “Hot Dozen” company. Twelve of the region's most innovative up and coming companies were honored on September 28th at Play Louisville. The twelve companies were announced during the past three weeks leading up to the event via Twitter.

“findCRA is thrilled to be selected as a Hot Dozen company in 2015, joining a very impressive group of local innovators. We know this is an important recognition of the progress we've made in Louisville and a vote of confidence in our future growth. We celebrate this honor with our team, our network of nearly 75 community and bank partners, and all our other supporters who have been instrumental to our success,” said Ben Loehle, CEO and Co-Founder of findCRA.

findCRA is an innovative, online platform that connects nonprofits and other community partners with banks to build stronger communities. Our service allows community partners to list and promote their needs as projects on findCRA.com, where banks can support specific projects that align with their Community Reinvestment Act (CRA) needs and goals. The company currently serves clients throughout the Greater Louisville and Southern Indiana areas and is an endorsed Kentucky Bankers Association vendor solution.

The chosen companies were recognized at the “Hot Dozen Showcase” sponsored by Hilliard Lyons. Each company honored is a hometown, early-stage company that GLI's EnterpriseCorp believes is positioned to improve the region.

The “Hot Dozen” is chosen by GLI's EnterpriseCorp, the Louisville office of the Kentucky Innovation Network. These companies exemplify some of the high-potential work being done in the region's entrepreneurial community. Past winners of the “Hot Dozen” include stand-outs such as Interapt, GearBrake and MobileServe.

The 2015 “Hot Dozen” Companies include Clipper Data, Code Louisville, Edj Analytics, findCRA, Healthcare Asset Network, Inscope Medical Solutions, Logjstrips, Normalyte, Onovative, Paddlewheel Brands, Portland Investment Initiative, and TriBlue Engineering.
