PRESS RELEASE

FOR IMMEDIATE RELEASE

March 16, 2020

An Update Regarding findCRA's COVID-19 Response

Louisville, KY – At [findCRA](https://www.findCRA.com), our top priority is the health, safety and wellbeing of all of our employees, clients, partners, their families and our community. As part of this commitment, we have been closely watching the evolving COVID-19 pandemic and international response and are listening to the recommendations of experts, including guidance from the World Health Organization, CDC and local governments.

As of today, our team has shifted to a full-time remote work schedule, allowing our employees to safely stay at home while supporting our clients' needs. We are assessing our schedule on a weekly basis.

During this time, we are available to support any questions or needs you may have throughout normal work hours, Monday through Friday. We've also shifted any scheduled in-person meetings to virtual meetings.

Our business and services will continue without interruption, including our online solutions, consulting engagements and CRA Monday Briefing. You can reach any of our team by phone or email or by starting a Live Chat on our website.

We know that banks are critical to our national infrastructure and relied on by nonprofits and other organizations they support. We appreciate the trust you have placed in us as a resource for CRA information, guidance and data and are committed to providing our clients with the best support possible during this uncertain time.

Please do not hesitate to reach out if we can help in any way. We're all in this together.

Warmest regards,
Ben Loehle
CEO & Co-Founder
