findCRA to Lead CRA Sessions and Exhibit at the 2022 Tennessee Bankers Association's Compliance Conference

Louisville, KY – findCRA will be onsite at the annual Tennessee Bankers Association Compliance Conference on Thursday, November 17th and Friday, November 18th in Nashville, Tennessee.

findCRA is a sponsor and exhibitor at this year's event, bringing together the state's banking compliance professionals. The multi-day event will feature discussions on a variety of banking compliance topics. findCRA will showcase its innovative Community Qualifier and Contexter software products that help banks to simplify documentation and research regarding federal regulatory requirements under the Community Reinvestment Act.

findCRA's President, COO & Co-Founder, will lead two sessions focused on CRA during the conference. On Thursday, November 17th at 2:00 p.m. Central, he will discuss tips and strategies for banks in sharing their CRA story, including identifying and tracking community development activities and preparing performance context. On Friday, November 18th at 9:45 a.m. he will lead a session on CRA Modernization, providing an overview of key changes outlined in the recently proposed rule to update CRA requirements and redesign the CRA examination framework.

"I appreciate the opportunity provided by the Tennessee Bankers Association to discuss the most expansive changes to CRA in decades as well as cover the current foundational requirements during our sessions with their membership and attendees. It's so important for bankers and compliance professionals to come together to learn, network, and collaborate, and this event provides an opportunity to do all three." said Brian Waters, President, COO & Co-Founder of findCRA.

Headquartered in Louisville, KY, findCRA provides banks of all sizes a more efficient way of meeting their CRA regulatory obligations with its online research engine that puts CRA first. The company provides comprehensive, consistent data and instant insights into CRA alignment for nonprofits and performance context for every community in the nation. Its cloud-based software tools – Community Qualifier and Contexter – simplify time-consuming CRA research efforts by organizing hundreds of critical data points into an intuitive research engine.

The Tennessee Bankers Association's Compliance Conference will be held at the Sonesta Nashville Airport. The event provides bankers the opportunity to hear from nationally-known presenters, as well as national and regional regulatory professionals, who will provide current, practical, and workable solutions to the regulatory changes that are occurring with increasing frequency. The format of the conference includes general sessions, panel presentations, and breakout sessions. It provides a platform that addresses the most current issues facing our industry.
