Ncontracts and findCRA Announce Strategic Relationship to Support Banks Nationally

Louisville, KY – [Ncontracts](#), the leading provider of integrated compliance, risk management, and vendor solutions for the financial service industry, and [findCRA](#), a nationally-recognized RegTech company providing cloud-based CRA research software, have announced a new strategic relationship.

"Ncontracts is excited to work with findCRA to offer banks more ways to meet their CRA requirements and demonstrate their commitment to community stewardship," said Michael Berman, Ncontracts founder and CEO.

The strategic relationship allows banks to benefit from the natural alignment between the product offerings of Ncontracts and findCRA. Both companies deliver powerful software to assist banks of all sizes in meeting regulatory requirements under the federal Community Reinvestment Act.

"At findCRA, we've built our solutions with a 'CRA first' approach to help banks research their communities and prepare for exams. It makes perfect sense to work with Ncontracts to amplify the way banks can benefit from our combined offerings," said Ben Loehle, findCRA CEO and Co-Founder.

Ncontracts [CRA Relief](#) empowers banks to analyze CRA data while tracking investments and services that serve the needs of its local community, demonstrating CRA compliance to examiners. findCRA's [Community Qualifier](#) software enables banks to research and document CRA relationships consistently and easily, providing online access to over 60,000 CRA-aligned nonprofit profiles, powered by its CRANIA algorithm.
